1) TITUSVILLE, Florida – Detectives have arrested Davy Renton from Titusville. They say he robbed a bank yesterday afternoon. With a revolver and a baseball hat, sunglasses and a dark sweat shirt he walked into the bank on Garden Street in Titusville. He ran away when he had the money, and nobody was hurt. Eyewitness reports and Renton´s license plate number helped the police to find him.

2) MIAMI, Florida – The Avenues mall was full of cops on Tuesday. Tyler, Joseph and 8-year-old Jordan took part in this year´s ‘Shop with a Cop’ program together with their mother Mary Coleman. Then men in blue were playing Santa Claus for about 100 boys and girls. Each of them got presents for $ 75 as part of the sixth ‘Shop with a Cop’ event.

3) DAVIE, Florida – Police are looking for three young men. With a stolen car, they broke the door of an electronics store. After breaking the glass door, the young men packed the car with televisions and other electronic equipment. A neighbor heard the crash when the door broke and called the police.

4) CAPE CORAL, Florida – The first solar-powered building in Cape Coral opened at the beginning of this month. The new building´s solar system transforms the sun´s rays into electric power for the building. Company President Jacob Muller said, “On a sunny day, the building only uses solar power. We don´t produce enough power all year around, but we still save a lot of energy and, of course, money.”

5) KEY WEST, Florida – A new terminal at Key West International Airport was finished on Tuesday. Passengers can use it from the end of February. The parking lot below the terminal will also be finished by then, an airport spokesman told the press. Workers have already built the ramp to and from the terminal. But they are still working on a passenger bridge between the old and the new terminals.

An Invitation to New York 10 points

Your friend Sam lives in New York and has sent you the following email. Write an email back and answer all of the questions.

Hey my friend!!!

I have checked with my parents and they would just love to have you come to New York. And me, too, of course!!! It’d be so cool to finally meet! Now all I need to know is how long you would like to stay? And, of course, what you want to do – where do you really want to go? There are many sights in New York. How much do you already know about New York? Are you used to a lot of people and a lot of traffic?

It’ll be so exciting to have you here, I’m really looking forward to that!

See ya,

Sam 😊
